

# Atomic Kitten, Bye Now

Lately in my life I'm  
Finding it harder to be  
Certain of feelings that I  
Thought would always be  
Playing the game was easy  
Saying the things that pleased me  
But through it all  
I can see the love has slipped away

(Bye now - gotta say, say goodbye now)  
Take this love away from me  
(Bye now - gotta say, say goodbye now)  
Set my soul and spirit free  
(Bye now - gotta say, say goodbye now)  
Take this love away from me  
(Bye now - gotta say, say goodbye now)  
Let me be what I can be  
Go and just leave me  
Go make it easy on yourself

Lately in my life I'm  
Finding I struggle if I  
picture myself no longer  
Underneath your spell

Chorus

I can't stand to see you  
Couldn't bare to feel you  
Its tearing my heart  
In two

Chorus

Bye now, take this love away from me  
Bye now, can't you see what i can see  
Bye now, that with you I'll never be  
Bye now, so take your love away from me

Go and just leave me  
Go make it easy on yourself
