

# Atomic Kitten, Cradle

I will rock you like a baby lover  
Cradled in my arms  
I will keep you safe from danger  
Shelter you from harm  
There will never be another lover  
Treat you like I do  
We can drift into forever on a love that's made for two  
Don't you ever say this love's not special  
Don't you ever think it's not essential, baby  
Chorus  
I was only thinking of you  
Hoping you were thinking of me  
Two hearts beating just like  
One against the world, baby  
I am always dreaming of me  
I could never live one day without your love  
I will kiss you like an angel, baby  
Cradled in my wings  
I will take you up to heaven  
Show you precious things  
If you promise that you love me  
If you promise that you care  
I will be here for you always  
And forever this I swear  
Don't you ever say this love's not special  
Don't you ever think it's not essential, baby  
Chorus  
Now you say you wanna love  
But you don't think you believe it  
Just open up your heart  
And you know you will receive it...oh baby  
Baby  
Don't you ever say this love's not special  
No  
Don't you ever think it's not essential, Baby  
Chorus  
I was only  
I was only  
I was only  
Thinking of you
