

# Atomic Kitten, Don't Tell Me Now

i know what's on your mind  
i know what's goin' on  
are you listenin'?

i remember a time,  
when love was never a crime  
we used to watch the sun rise,  
that look of warmth in our eyes  
i think i know what you're gonna say,  
but i'd rather wait another day...

don't tell me now  
coz i already know what's goin' on in your mind  
don't tell me now  
don't you walk away, don't you leave me behind

never home before ten,  
i wanna know what your doin'  
something's tellin' me you're strayin',  
now i'm the one who's payin'  
oah-oh  
i think i know what you're gonna say,  
but i'd rather wait another day...

don't tell me now  
coz i already know what's goin' on in your mind  
don't tell me now  
don't you walk away, don't you leave me behind

it's time you knew i need  
more than this charade of fools  
i love my pride more than you  
i'm gonna say goodbye,  
to what i feel inside and that's you, yeah...

i'll tell you now  
it's time you know, my mind  
don't mess with my mind, no, no, no, no  
i'll tell you now  
i'm walkin' away  
i say goodbye to my pride

i'll tell you now  
i've got nothing to hide, no...  
it's time you know, my mind  
you don't know my mind, no, no, no, no  
i'll tell you now  
i'm walkin' away, behind...  
i'll tell you now... it's over!!!
