

# Atomic Kitten, It's OK

Well, I remember all the nights I used to stay at home, on the phone, all night long  
Used to talk about all the things we really wanna  
do, I believed in you

I remember how you used to say have no fear,  
you'll be OK,  
when u told me anything you want is possible, we  
could have it all

I believed in you  
Must have been a fool  
All my dreams were with you

Chorus

I say its OK, I can promise you it's alright  
You ain't keeping me up all night, no more  
You're not here but its ok, I assure you babe its alrite  
You ain't keeping me up all night, no more  
You're not here but its ok

Well now you got to where you wanted, like I  
knew you would

Cash, car, house it's all good  
Its the way you never come round here no more,  
like you did before

Got it all that's the way it seems, looks like you, live your dream  
And I hope your live has turned out for the better  
now, when I'm not around

I believed in you  
Must have been a fool  
All my dreams were with you

Chorus

Its alrite and its OK  
Its alrite and its OK  
Its alrite and its OK  
You're not here with me  
Its alrite and its OK  
Its alrite and its OK  
Its alrite and its OK  
You're not here with me

Chorus

Its alrite and its OK  
Its alrite and its OK  
Its alrite and its OK  
You're not here with me  
You're not here but it's OK
