

Atomic Kitten, Last Goodbye

Ain't no headlights on the road tonight
Everybody here is sleeping tight
Ain't nobody gonna find us here, we'll disappear
There's a dancer in the arms of love
And he's dancing on the sky above
And the truth is that we'll never know, where love will flow

Aim high, shoot low (you gotta aim high and shoot low baby)

Chorus:

Ain't no headlights on the road tonight
Ain't nobody here to make you cry
'Cause we couldn't seem to find a way for love to stay
If you had another night to give
I would have another night to live
But you never gonna see me cry the last goodbye

Is it cloudy where you are tonight
Are the neon lights shining bright
Are you looking for a place to stay, to get away
And the days are horses down the hill
Running fast with no time to kill
And the truth is that we'll never know, where love will flow

Aim high, shoot low (you gotta aim high and shoot low baby)

Chorus:

Ain't no headlights on the road tonight
Ain't nobody here to make you cry
'Cause we couldn't seem to find a way for love to stay
If you had another night to give
I would have another night to live
But you never gonna see me cry the last goodbye(last goodbye)

If I could do it over, I'll do it all again (over again)
And if I got one more chance, I wouldn't change a thing

Aim high, shoot low (aim high, shoot low)

Chorus x2

Ain't no headlights on the road tonight (road tonight)
Ain't nobody here to make you cry(make you cry, ooh)
'Cause we couldn't seem to find a way for love to stay (love)
If you had another night to give
I would have another night to live (night to live)
But you never gonna see me cry the last goodbye

Ain't no headlights on the road tonight
Ain't nobody here to make you cry(make you cry)
'Cause we couldn't seem (ooh) to find a way for love to stay (stay)(ooh)
If you had another night to give (give)
I would have another night to live (night to live)
But you never gonna see me cry the last goodbye...
