

Atomic Kitten, Love Won't Wait

Don't waste this moment
Life tastes so sweet
We can work wonders
Just let it be
I know what your thinking
So can you feel?

What I need don't need to be said
I want it right now

My love won't wait if your going to wait till tomorrow
Baby I'm yours and that feels right today
My love won't wait if your going to wait till tomorrowe
This is not a dream it's right before your eyes
don't let it fade away

You'll miss this momonet
Don't be afraid
If thats what you wanted
So why hesiate?
Cause I feeling restless
I can't explain
What I need don't need to be said
And I want it right now

My love won't wait if your going to wait till tomorrow
Baby I'm yours and that feels right today
My love won't wait if your going to wait till tomorrow
This is not a dream it's right before your eyes don't let it fade away

Love won't wait
Love won't wait
Love won't wait
Don't hesiate
What I need don't need to be said
And I want it right now

My love won't wait if your going to wait till tomorrow
Baby I'm yours and that feels right today
My love won't wait if your going to wait till tomorrow
This is not a dream it's right before your eyes don't let it fade away

Repeat till fade
