Atomic Kitten, Right Now (Live)

makin' me feel that I want it
Is makin me see that you know what I need
Your breakin the rules cos you want it
There's so much - you can do - that will make me see that

Makin me love and adore you (baby)
Is makin the most of the way that I feel
I'm taken a chance movin for ya
Cos when you touch - me I just - can't believe that it's real

So come on baby do it to me good now
Do it to me slowly (oh yeah)
Be the one and only (oh'oh yeah)
And do it to me right now (baby, baby)

Make me believe that you want it
And make me believe that you'll always be trueO
You better not lie or deceive me
If you do - then we're through - so what's up to you

To take me to places I've never ever
Ever been able to go
Your taken it higher and higher
But baby you know - that it's so getting oh lets go

So come on baby do it to me good
Do it like you should (oh yeah)
Like you said you would (oh'oh yeah)
And do it to me right now (right now)

There's a party in my head
But you should have been there with me now
(what you say, what you say)
Well you started on my head
Better finish what you said to me now
(what you say, what you say)

yeah, yeah, yeah
