

# Atomic Kitten, The Last Goodbye ( A-Side)

Lil:

Ain't no headlights on the road tonight,  
Everybody here is sleeping tight,  
Ain't nobody gonna find us here,  
We'll disappear.

Tash:

There's a dancer in the arms of love,  
And he's dancing on the sky above,  
And the truth is that we'll never know,  
Where love will flow.

Aim High, Shoot Low (you gotta aim high, shoot low baby)

Chorus-

Ain't no headlights on the road tonight,  
Ain't nobody here to make it right,  
Cos we couldn't seem to find a way  
For love to stay.

If you had another night to give,  
I would have another night to live,  
But you're never gonna see me cry  
The Last Goodbye.

Jen:

Is it cloudy where you are tonight?  
All the neon lights shining bright?  
Are you looking for a place to stay,  
To get away?

Tash:

And the days are horses down the hill,  
Running fast with no time to kill  
And the truth is that we'll never know  
Where love will flow.

Aim High, Shoot Low ( you gotta aim high, shoot low baby)

Chorus

If I could do It Over,  
I'd do it all again,(over again)  
And If I got one more chance,  
I wouldn't change a thing.

Aim High, Shoot Low ( aim high shoot low )

Chorus x 2
