

Atomic Opera, God Of Hate

I do hate evil
And I do hate sin
I do hate divorce
And I hate this state we're living in ... I
Do hate rebellion
And I do hate greed
I do hate most religious men
And I hate this hating hateful killing
I Am the God of Hate
And My hate is a Holy Flame
I Am the God of Hate
And my hate is a Perfect Thing
I do hate Esau
And I do hate death
I do hate violence
And I hate your whining, waisted breath ... I
Do hate the darkness
And I do hate pain
I do hate the burning stench
And I hate My Love when used in vain
