

# Atomic Opera, Jesus Junk

I want a Virgin Mary nightlamp  
Bible hero lunch box  
The Shroud of Turin on my wristwatch  
Only listen to Christian ... Rock

Gospel Cola in the morning  
Then make my Velvet Jesus Bed  
I want some Holy Trini-Tea Bags  
Covenant Candy fish ... and loaves of bread

Gold plated Crown of Thorns Messiah Ring  
Belt buckle's a decending dove  
Hang a chrome fish on my truck  
They'll know we're Christians by our love  
... Of junk

All my Jesus Junk  
Yeah, my Jesus Junk  
I am  
A Jesus Junkie

Give me a piece of the true cross  
The thigh bone of a saint  
I long for something Holy  
This sub-culture ain't ... real

Testa Mints to make my breath fresh  
Bible Gum and Christian science fiction Where Jesus turns wine into water.
