

Atozzio, Maze

It's gettin' dark
It's hard to breathe
I try to watch
But I just can't see
Where I'm goin'
And where I could be
Can't make this sight of this

[Bridge:]

I don't wanna go
I don't wanna stay
I really wanna leave
But I'm so afraid
Even though it's hard
I can't back goin' on

[Chorus:]

I can't seem to find my way out this maze
I know this place and
I can't seem to find my way out the dark
It shouldn't be this hard and
I don't know if I'll ever find my way
I don't know if I'll ever find my way

I ment this day

I never been

This deja-vu

I hate to remain this

What we been through

Won't go away

Somebody please let me escape

Let go of your hold

I gotta leave

I feel the walls closin' in on me

I can't think

Now this real to me

How do I get out of here?

[Bridge:]

I don't wanna go

I don't wanna stay

I really wanna leave

But I'm so afraid

Even though it's hard

I can't back goin' on

[Chorus:]

I can't seem to find my way out this maze

I know this place and

I can't seem to find my way out the dark

It shouldn't be this hard and

I don't know if I'll ever find my way

I don't know if I'll ever find my way

I try to take control, yes

Try to move on, yes

Try to be strong

Try to let go

Wanna a man take through all the pain

[Chorus:]

I can't seem to find my way out this maze

I know this place and

I can't seem to find my way out the dark

It shouldn't be this hard and

I don't know if I'll ever find my way

I don't know if I'll ever find my way

I can't seem to find my way out this maze

I know this place and

I can't seem to find my way out the dark

It shouldn't be this hard and

I don't know if I'll ever find my way
I don't know if I'll ever find my way
(If I'll ever find my way)
