

# Atreyu, Becoming The Bull

Come on!!!

"Grab the bull by the horns," the old adage goes -  
Nobody tells you where to go from there  
"It seems like fate's pulling you,"  
"Decisions have to be made,"  
"The best path is the hardest earned,"

[Chorus]  
Back and forth the struggle consumes us all  
Trying to keep a level head  
In the most unsettling of times  
Today, I become the bull

There is so much at stake;  
I stumble I lose my place  
Pride and arrogance surrounded by sin  
Destiny takes its hold  
Fight it or let it go;  
But I choose how today will end

G-G-G-G-Go!!  
[Chorus]  
Back and forth the struggle consumes us all  
Trying to keep a level head  
In the most unsettling of times  
Today I become the bull [x2]

This walk can get lonely -  
I lose myself inside my head  
No one can touch you when you're outside staring in  
Remove myself from this rat race

[Chorus]  
Back and forth the struggle consumes us all  
Trying to keep a level head  
In the most unsettling of times  
Today I become the bull [x5]
