

# Atrocity, Clash Of The Titans

Warclash of the titans  
War of primeval nations

Out of the fog warships appear final conquest of the empire's fleet  
War has come across the sea one continent has to bleed  
Thousands have come warriors of doom heavy armour heralds of gloom  
Swords are drawn banners are high the hells spawn has arisen

The atlantean fleet sails against the hellens  
The final tried of the open sea  
The atlantean fleet sails against the crypts  
The final tried of ancient history

Warclash of the titans  
War of primeval nations

Point of impact thrown spears cause and effect crushing shields  
Smashing bones helmets break atlantean troops overtake  
Battle rages face to face flesh and blood without grace  
Atlantean force skilled warfare demigods spreading fear

The atlantean fleet sails against the hellens  
The final tried of the open sea  
The atlantean fleet sails against the crypts  
The final tried of ancient history

Warclash of the titans  
War of primeval nations

War has come days of doom fortune's gone  
Blood will run battle is done untergang attack

The turning point of the battle  
Armies prepare for the last strike

Warclash of the titans  
War of primeval nations

Clash of the titans downfall  
Clash of the titans destruction  
Clash of the titans
