

Atrocity, Lili Marleen

Outside the barracks, by the corner light,
I'll always stand and wait for you at night,
we will create a world for two,
I'll wait for you the whole night through,
for you, Lili Marleen,
for you, Lili Marleen.

Bugle tonight don't play the call to arms,
I want another evening with her charms,
then we will say goodbye and part,
I'll always keep you in my heart,
with me, Lili Marleen,
with me, Lili Marleen.

Give me a rose to show how much you care,
tie to the stem a lock of golden hair,
surely tomorrow you'll feel blue,
but then will come a love that's new,
for you, Lili Marleen,
for you, Lili Marleen.

When we are marching in the mud and cold,
and when my pack seems more than I can hold,
my love for you renews my might,
I'm warm again, my pack is light,
it's you, Lili Marleen,
it's you, Lili Marleen.
