

# Attak, This Is The Time

This is the time to say goodbye  
This is the time you shouldn't cry  
See a tear run down your face  
This is the story of the human race  
This is the time the time is right  
This is the time to say goodnight  
You know the reason but don't know why  
You cannot help you can only try

[Chorus:]

This is the time  
This is the time
