

Audience Of One, Saosin

Be honest, I'd really like to
But I know that it would hurt you and I can't
Be honest, I'd really like to
But I know and I can't
Be honest, I'd really like to
But I know that it would hurt you and I can't
Be honest, I'd really like to
But I know that it would hurt you and I can't
<repeats above with some screaming>
It breaks my heart
Smile
It breaks my heart
It breaks my heart to see you smile
It breaks my heart
It breaks my heart
It breaks my heart to see you smile

Be honest, I'd really like to
But I know that it would hurt you and I can't
Be honest, I'd really like to
But I know that it would hurt you and I can't
Be honest, I'd really like to
But I know that it would hurt you and I can't

It breaks my heart
It breaks my heart to see you smile
It breaks my heart
It breaks my heart to see you smile at me, yea

It's your fault and
You lie to see my heart
