

# Audio Adrenaline, Blitz

14 kids in an old  
church van  
With a light in their  
eyes and some  
tracts in their  
hands  
60 mph feels way to  
slow  
when you got the  
chevy pointed down  
to Mexico

(Chorus)

We all want to run  
the race to win  
never giving up or  
giving in  
coming at you like a  
blitz

they've had three  
flats, and their  
radiator's leaking  
ain't nothing gonna  
keep'em from the  
prize that they're  
seeking  
they're riding all  
together and it's in  
God's hands  
14 kids in an old  
church van

(Chorus)

They're jamming at  
the show and  
everybody's freakn'  
ain't nothing gonna  
keep'em from the  
prize that they're  
seeking  
they don't get  
around like ordi-  
nary fans
