

Audio Adrenaline, I'm Alive

Sometimes I wake up feeling
Like I did way back in L.A.
But since I'm from Kentucky
that feeling must have been a mistake
the sun is always bright
and the skies are always so blue
It must be something bigger
that makes me feel like I do

So if you come to the show
Then I want you to know
I'm Alive
The moment I let go brought passion to my soul
I'm Alive
My heart's been re-arranged and never be the same
I'm Alive

Have you ever longed
To take a walk on top of a cloud
if this feeling was a chemical
I don't think it would be allowed

So if you come to the show
Or hear it on the radio
We'll rock you, we'll rock you
and I want you to know
I'm Alive
The moment I let go brought passion to my soul
I'm Alive
My heart's been re-arranged and never be the same
I'm Alive
I'm Alive
I'm Alive
The moment I let go brought passion to my soul
I'm Alive
My heart's been re-arranged and never be the same
I'm Alive
the moment I let go brought passion to my soul
I'm Alive
I'm Alive
the moment I let go brought passion to my soul
I'm Alive
my heart's been re-arranged and never be the same
I'm Alive
I'm Alive
I'm Alive
the moment I let go brought passion to my soul
I'm Alive
