

Audio Adrenaline, Medley

Buddha was a fat man
So what?
Mohammed thought he had a plan
I guess not
A Hindhu god is an old cow
You can be a god if ya knew how

My God died on the cross!
My God died on the cross!
My God died on the cross!
But he lives!

My God is the only God
He's the only God that lives
He loves, He cares
An eternal life He gives
He took the pains that shook the chains
That rattled all of hell
Now you may think I'm crazy
But, only time will tell

Buddha was a fat man
So what?
Mohammed thought he had a plan
I guess not.
A Hindu god is an old cow
You can be a god if ya knew how

My God died on the cross!
My God died on the cross!
My God died on the cross!
But, He lives!

There's a man over there
Standing on the street
He says, "I'm a god."
But, I think, he's a freak.
Many different men are not what they claim
A moonie, a mormon, a man from Mars
A little off track but they have nice cars

Buddha was a fat man
So what?
Mohammed thought he had a plan
I guess not
A Hindu god is an old cow
You can be a god if ya knew

My God died on the cross!
My God died on the cross!
My God died on the cross!
But He Lives!

CHOIR:
My precious Jesus died upon the cross
My precious Jesus died to save the lost
But He lives, yes He lives. My Jesus Lives
He walks He talks He loves He rocks
My Jesus lives

TALKING:
This is Reverend Booty and
Do you know where you're gonna go?

Do you know where you're gonna go?
Do you know where you're gonna go?
Do you know where you're gonna go?
Do you know where you're gonna go?

Well if a DC-10 fell on your head and
You're laying on the ground all messy and dead
Or a Mack truck ran over you
Or you suddenly die in your Sunday pew

Do you know where you're gonna go?
Do you know where you're gonna go?
Do you know where you're gonna go?
Do you know where you're gonna go?
Do you know?

It can happen any day
It can happen any way
It can happen while you're nappin' in your easy chair
It can happen at home
It can happen at school
It can happen while you're rappin' like a rappin' fool

Do you know where you're gonna go?
Do you know where you're gonna go?
Do you know where you're gonna go?
Do you know where you're gonna go?
Do you know?

If you think about your death you've got one chance left

And you better believe there will be a price
It was paid in full by Jesus Christ

He died for you.

Do you know where you're gonna go?
Do you know where you're gonna go?
Do you know where you're gonna go?
Do you know where you're gonna go?
Do you know?
Do you know?
Do you know?

Do--- you know?
Do you know?
Do you know?

Do--- you know?
Do you know?
Do you know? Where you're gonna go?

Do--- you know?
Do you know?
Do you know?

Do--- you know?
Do you know?
Do you know? Where you're gonna go?

Do--- you know?
Do you know?
Do you know?

Do--- you know?
Do you know?
Do you know? Where you're gonna go?
