

# Audio Karate, Gypsyqueen

did you kill someone  
i would hide your gun  
and any wise guy'd stay  
a million miles away  
gypsyqueen you'll run  
you have had your fun

go ahead i say go ahead  
and it would be so sweet  
you're cool enough to gauge an idle  
moment if it speeds  
so speed but what about the way you  
keep pretending  
that you sleep so sweet yeah!
