

# Audioslave, Be Yourself

Someone falls to pieces  
Sleepin all alone  
Someone kills the pain  
Spinning in the silence  
To finally drift away  
Someone gets excited  
In a chapel yard  
Catches a bouquet  
Another lays a dozen  
White roses on a grave

To be yourself is all that you can do  
To be yourself is all that you can do

Someone finds salvation in everyone  
And another only pain  
Someone tries to hide himself  
Down inside himself he prays  
Someone swears his true love  
Untill the end of time  
Another runs away  
Separate or united?  
Healthy or insane?

To be yourself is all that you can do  
To be yourself is all that you can do  
To be yourself is all that you can do  
To be yourself is all that you can do

And even when you've paid enough, been pulled apart or been held up  
With every single memory of the good or bad faces of luck  
don't lose any sleep tonight  
I'm sure everything will end up alright

You may win or lose

But to be yourself is all that you can do  
To be yourself is all that you can do
