

# Audioslave, Getaway Car

The first time i saw you you were  
chasin down  
a cyclone  
all alone in the field  
with railyards and clovers i kept rollin on  
never thought you'd wind up chasin  
me

i settle down  
i won't hesitate  
to hit the highway  
before you leave me to waste no  
i'll settle up and i'll help you find something to drive  
before you drown yourself

your tired of walkin  
and you loathe the ground  
the sideways belly touched your feet  
black moons to slowly to hold you down  
with ring hand you take it out on me

settle down  
i won't hesitate to hit the highway  
before you leave me to waste  
saddle up and i'll help you find something to drive  
before you drive me insane

so get yourself a car  
drive it all alone  
get ourself a car  
and ride it on the wind  
get yourself a car  
and drive it all alone  
get yourself a car  
and ride it on the wind yea

yea we'll settle down  
i won't hesitate to hit the highway  
before you leave me to waste  
settle up and i'll help you find something to drive  
before you drive me insane

get yourself a car  
and drive it all alone  
get yourself a car  
and ride it on the wind  
get yourself a car  
and drive it all alone  
get yourself a car  
and ride it on the wind
