

Audioweb, Faker

Breaking your back for another day
Plucking your hair to your holiday
Numbing your brain to be
Trying to keep it where

Chorus:

Hope for you is not hope for me baby
Hope for you is not hope for me baby

What can I do?

What can I say?

To make you know yourself

What can I do?

What can I say?

When do you know you?

When do you know you faker?

When do you know you?

When do you know?

.....your lifetime before you die

For the dreams that make you wanna cry

..... of another mind

....yourself with another

Chorus

When the people want the music proper

..... supersonic singer

And singer will never say never

.....

.....

..... singer (x2)

Have to sing again

When do you know you?

When do you know you faker?

When do you know you?
