

# Augustana, I'll stay

I'll forget you and your lips  
Half an hour and my heart stops beatin'  
Used to love the things you did  
I could want you but my heart is shattered  
Love is such a cruel game  
And it won't let you want to be the same  
Until you come down  
Dream me down  
And how does it feel, feel it down  
Wastin' your breath  
Just say the word  
And I'll stay  
I was once a man like you  
Half a day and then my love was faded  
I can put if you want to  
I can make your life a living hell  
Love is such a cruel game  
And it won't let you want to be the same  
Until you come down  
Dream me down  
And how does it feel, feel it down  
Wastin' your breath  
Just say the word  
And I'll stay  
I said love is such a cruel game  
And it won't let you want to be the same  
And it won't let you want to run away  
Until you come down  
Dream me down  
So turn around  
Just say the word  
Honey, no  
Say the word  
Don't let go  
Say the word  
And I'll stay  
I'll stay  
I'll stay  
No no no no no
