

# Augustana, Meet You There

climb up a mountain, just to watch it come down,  
but sooner or later babe, you're gonna need me around,  
'cause you're getting older, there ain't no stopping that,  
it's a backstabbing world honey, just lean your head back,

the fool in me,  
it's like a dream, you see,  
but if the world is right,  
i'll drive all night,  
and meet you there someday,

six in the morning, never felt so sweet,  
just put on lucinda baby, and dance with me,  
i know i'm hard to count on,  
forget half what i'm told,  
you probably only know my voice from  
a goddam microphone,

it's a waste,  
a teenage taste of me,  
but if daddy cries, just say goodnight,  
and i'll come,  
if i could change,  
i'd keep away the rain,  
and the sun would shine every night,  
and i'll come meet you there someday...
