

Augustana, Rest, Shame, Love

breaking up with your breakdowns,
standing tall in your white gown,
you're going nowhere, you're going fast,
you're slowing down but you'll never last,
take your time honey, take your time,

it's the wrong dream, with the wrong man,
with a cold gun, in your wrong hand,
get it right this time, get it off your mind,
let the summer rain bring you rest
and shame and love,

carve your name in a black stone,
swear to god we won't let go,
if you can't love babe, then you can't hurt,
we take the good times, with the worst,
take your time honey, take your time.
