

# Aura, Bleeding The Tears (I Could Not Cry)

Now the sun has melted away  
You keep it up

A moment to see things clear  
It failed in my mind

I've been waiting for the end  
I cannot explain

PAIN!  
PAIN!  
In my heart...

HURTS!  
HURTS!  
In my soul...

Feelings on the run  
Waiting to die

I want my life back  
Can't you leave me dead?

PAIN!  
PAIN!  
In my heart...

HURTS!  
HURTS!  
In my soul...

I bleed  
I bleed

[Solo]

I bleed  
I bleed  
I bleed  
I bleed the tears
