

Aura, Invitation To A Dream

(Aaron Nordquist)

Come with me! Let me set you free!
Break loose the shakels of reality
Take my hand and together we'll flee
Escape with me into fantasy
Banish your fear! Take this chance!
Accompany me and in dreams we'll dance
Look into my eyes, see the love in my glance
Slip away with me to a world of romance
Don't hold back! Accept this endeavor
Enter my vision say you'll leave me never
Let's form a bond that time cannot sever
Grant my plea! Let me love you forever
