

Aurora, Apple Tree

all of my life
I've been hunting
I've been a girl
I've been a boy
digging my feet into the ground
like an apple tree
wanting to live with a purpose
skin is a word
love is not a sin
people are bad
people are good
just like the moon is a stone
but it's a star when it's dark
and now she's hiding

if you've seen what a heart is
you've seen its color
if I ever knew how we could guide it
I would take care of its children
become their mother
if I ever knew how we could hide it hide it

let her save the world, she is just a girl
let him save them all, he is just a boy
let her save the world, she is just a girl
let him save them all, he is just a boy

hunger is quiet
if you do it right
hunter is loud and predictable
scaring away every prey
so they are gone

before the hunters arrives
would you be kind
and put away your sword
you cannot cut away
what we got
you cannot kill what we are
we are not here
in physical form

you'
ve seen where the knife is
it's dark location

if I ever know how could I hide
I would cut into our anger
make pure emotion
if I ever knew how we could hide it hide it

let her save the world, she is just a girl
let him save them all, he is just a boy
let her save the world, she is just a girl
let him save them all, he is just a boy

can you carry the weight of mortality?
the explosion around you is your symphony

let her save the world, she is just a girl
let him save them all, he is just a boy
let her save the world, she is just a girl
let him save them all, he is just a boy
