

Aurora, Psychedelic

they where born in the name of god
they where the superiors in the name of god

hey you outside the cold
dressed in white and looking old
what did you think you were told?

did you think we were living forever
did you ever fell? innocent?
i don't think so!
and yet i don't think as we fall deeper

why!!!

they were born in the name of god
they declined in the name of god!

why god?

hey you outside the cold
dressed in white and looking old
what did you think you were told?
