

Aurora, Rekindle The Flame

Hear us O God, hear
the cry of our hearts
Laid before you, we
adore you
Our soul's desire is to
burn with a fire
That's only pure and
holy
Holy Father
Breath on us

(chorus)
Rekindle the flame
you gave
Revive us, O Lord,
we pray
Pour out your spirit
now
We come to worship
Worship you

We long for you in
the depths of our
soul
God of mercy, you
are worthy
Reach down to us,
with the touch of your
love
Stir our spirits, Lord
be near us
Holy Father
Breath on us

(chorus)

Holy Father, breath
on us

(chorus)
