

Australian Idol, Come To Me (Cle)

Come to me
My darlin
Come to me
Then you'll see
How great my love can be

I have all of these wishes
So darlin wont you please
The healing of your kisses
Is my only release

Come to me
My darlin
Come to me

Let me be
The love i got to be
I am only just one part
Of your warm and gracious heart yes

Come to me
My darlin
Come to me
