

# Austrian Death Machine, If It Bleeds, We Can Kill

Dutch:

Raaar!

If it bleeds, we can kill it

If it bleeds, we can kill it

You're one ugly mother and that's why I'm talking trash

I've seen you bleed and now I know that I can kick your... ahhhh

I'm going to take you down

I'm going to take you down

Predator:

You are the hunted, you run in fear

Must I remind you that I have killed your friends

Must I remind you that your life is at it's end

Dutch:

If it bleeds, we can kill it

If it bleeds, we can kill it

If it bleeds, we can kill it

If it bleeds, we can kill it

I'm going to take you down

I'm going to take you down

I've seen you bleed and that makes you just like me

The only difference between us is

You're the one who's going to die

Predator:

This is my planet now

I'm hear to hunt your kind

This is a game to me

You'll all be dead in time

Must I remind you that I have killed your friends

Must I remind you that your life is at it's end

Dutch:

I once was the hunted, but now your time is through

The tides have turned, and now I'm hunting you

If it bleeds, we can kill it

If it bleeds, we can kill it

If it bleeds, we can kill it

If it bleeds, we can kill it
