

Austrian Death Machine, Screw You (Benny)

Screw you
Screw you
Screw you Benny
(x 4)
I thought you were my friend
And a fugitive just like me
A taxi driving freak
With five kids to feed
Then you betrayed me
Did you do it for money?
Were you consumed with greed?
I thought you were a family man
With four kids to feed
Screw you
Screw you
Screw you Benny
(x 2)
You betrayed me
You betrayed me
Now you're out for blood
To make me your kill
I must put a stop to this
By impaling you with a drill
Screw you
Screw you
Screw you Benny
(x 3)
You betrayed me
You betrayed me
So screw you
Screw you Benny
