

# Autamata, A Clear View

From the mountain top  
On a dull day  
No other people in clear sight  
Then the clouds roll off  
Just like a blanket  
All is revealed in the sunlight

I'm here  
If you need me

And I roll down there  
Jump in the rivers  
Laugh at the grass like a young child  
It just shows me how  
With a clear view  
Everything is ever changing

I'm here  
If you need me  
I'll be here

Because I ran with you  
Like a school-child  
Into the yard when the bell rings  
And from the mountain top  
I can see you  
And in every note that I sing

I'm here  
If you need me

I'll be here
