

# Automatic Loveletter, Goodbye Neverland

Look around,  
The only thing that I see  
Are all the cracks,  
Openin' up around me.  
I'm checking underneath, my bed  
Before, I go to sleep.  
We used to know,  
What I wanted to say.  
Now my words,  
They only get in the way.  
You threw the water on,  
The fire deep inside of me,  
You know it's gonna be...  
So goodnight Neverland,  
Do you know where we were gonna be with  
Such a brilliant plan?  
I'm such a fool I didn't see  
You never meant, the words you said  
Didn't understand.  
So goodnight neverland.  
Goodnight neverland.  
Walk around,  
But I can't feel my feet.  
I look outside,  
But the sun-bleached streets  
Are blindin' me today.  
I've lost my head,  
So I've gone deaf,  
This is how we end...  
So goodnight Neverland,  
Do you know where we were gonna be with  
Such a brilliant plan?  
I'm such a fool I didn't see  
You never meant, the words you said  
Didn't understand.  
So goodnight neverland.  
Goodnight neverland.  
A rollercoaster ride,  
Were we only meant to fly in dreams.  
Try to get that high,  
We were only kids with broken wings.  
So goodnight Neverland,  
Do you know where we were gonna be with  
Such a brilliant plan?  
I'm such a fool I didn't see  
You never meant, the words you said  
Didn't understand.  
So goodnight neverland.  
Goodnight neverland.
