

Automatic Smiles, Bluetooth (Unknown)

(Peter, Paul, Alex: intro)
In what way am I to read you?
How am I to understand him?
Even I myself can be unpredictable!
Why everyone's different?
One unsteady, one stringent?
But one think links everybody!
We are for one another and all are for us

(Peter: 1 verse)
Always give me an once over and your character
Sometimes you in like manner as me
To entail their talents don't guess like that
Just from someone's side appreciate you alive

(Automatic Smiles: chorus)
You're like an unknown bluetooth remember
Don't need wire in order to I possess you on my mind
So high extent is better than amber
I love you this sentence it accept connection

(Alex Peter: bridge)
Caution! Unknown to break into to your phone!
Uhuh?
It looks bad!
Uhuh?
It looks bad!

(Paul: 2 verse)
Man's able to penetrate the soul of another person
When one of them can't forget about this other
People will never change, they will be the same
Therefore I beg you also: don't change!
Anyway...

(Automatic Smiles: chorus)
You're like an unknown bluetooth remember
Don't need wire in order to I possess you on my mind
So high extent is better than amber
I love you this sentence it accept connection ooh yeah

(Alex, Paul: bridge)
Caution! Unknown to break into to your phone!
Uhuh?
It looks bad!
Uhuh?
It looks bad!
Oh no!

(Alex, Peter: prelude)
While receive a file you must accept connection yeah?
Uhuh uhuh u-u-u-u-uhuh

(Alex, Paul: prelude)
However in man this isn't happening!
Why why why-y why-y-y-hy

(Peter, Paul: prelude)
Because human it's not a machine, Love acts like a drug, even time can be very elusive
In spite of all seize an each day
Let your talent get reception near people

(Automatic Smiles: chorus)
You're like an unknown bluetooth remember

Don't need wire in order to I posses you on my mind
So high extent is better than amber
I love you this sentense it accept connection ooh yeah

(Peter: outro)

An unknown bluetooth, an unknown bluetooth, an unknown bluetooth remember
I love you - this sentense it accept connection oh yeah
Bluetooth, remember!
