

Autopassion, Talking To You

Do not try to wake me up in the morning
I'm good at fighting in my sleep
Don't take too hard
Know that I'm angry
And I won't mean anything I say
Hey, hey, hey
I'm talking to you
Hey, hey, I'm talking to you

If you have got to keep me up so late
Promise there is a price to pay
And you're just going to have to accept that
I'm sleeping way into the day
Hey, hey, hey
I'm talking to you
Hey, hey, I'm talking to you
(This song's about you, this song's about you)

Good luck child
Wake me up in the morning
I could have found it in my dreams
Don't take too hard
Know that I'm angry
And I won't mean anything I say
Hey, hey, hey
