

Autopilot Off, Blessed By A Nightmare

Hands up and dont you make a sound
Shotgun is pointed at me now
It just might blow me away
So here's all I have
It isnt much but please
All I ask is
Let me walk away
Just then I thought I heard the sound

I never had this feeling so cold
I stood there freezing
And waiting.
I never had this feeling so cold
It seemed too easy
It seemed too easy to be gone

Hands out before I kiss the ground
Shotgun still pointed at me now
Ready to blow me away
And I dont think I will make it home tonight
Dont think I will make it out alive
That's when I then I thought I heard the sound

I never had this feeling so cold
I stood there freezing
And waiting.
I never had this feeling so cold
It seemed too easy
It seemed too easy to be gone

Each night I dream it all again
Steel barrel up against my head
Each night I never get away
It's shots fired shots fired shots...

If the light should take me
Then tonight Ill be free

I never had this feeling so cold
I stood there freezing
And waiting.
I never had this feeling so cold
It seemed to easy
It seemed to easy to be gone

Im blessed by a nightmare nightly
And when I'm dying it reminds me
I grab the air now and hold it tightly
Remember everything I love
Then I'm gone.
