

# Autopilot Off, Blessed By A Nightmare

Hands up and dont you make a sound  
Shotgun is pointed at me now  
It just might blow me away  
So here's all I have  
It isnt much but please  
All I ask is  
Let me walk away  
Just then I thought I heard the sound

I never had this feeling so cold  
I stood there freezing  
And waiting.  
I never had this feeling so cold  
It seemed too easy  
It seemed too easy to be gone

Hands out before I kiss the ground  
Shotgun still pointed at me now  
Ready to blow me away  
And I dont think I will make it home tonight  
Dont think I will make it out alive  
That's when I then I thought I heard the sound

I never had this feeling so cold  
I stood there freezing  
And waiting.  
I never had this feeling so cold  
It seemed too easy  
It seemed too easy to be gone

Each night I dream it all again  
Steel barrel up against my head  
Each night I never get away  
It's shots fired shots fired shots...

If the light should take me  
Then tonight Ill be free

I never had this feeling so cold  
I stood there freezing  
And waiting.  
I never had this feeling so cold  
It seemed to easy  
It seemed to easy to be gone

Im blessed by a nightmare nightly  
And when I'm dying it reminds me  
I grab the air now and hold it tightly  
Remember everything I love  
Then I'm gone.
