

Ava Max, Kings & Queens

[Chorus]

If all of the kings had their queens on the throne
We would pop champagne and raise a toast
To all of the queens who are fighting alone
Baby, you're not dancing on your own

[Verse 1]

Can't live without me, you wanna, but you can't, nah-nah-nah
Think it's funny, but honey, can't run this show on your own
I can feel my body shake, there's only so much I can take
I'll show you how a real queen behaves

[Pre-Chorus]

Oh, no damsel in distress, don't need to save me
Once I start breathing fire, you can't tame me
And you might think I'm weak without a sword
But if I had one, it'd be bigger than yours

[Chorus]

If all of the kings had their queens on the throne
We would pop champagne and raise a toast
To all of the queens who are fighting alone
Baby, you're not dancing on your own

[Verse 2]

Disobey me, then baby, it's off with your head
Gonna change it and make it a world you won't forget

[Pre-Chorus]

Oh, no damsel in distress, don't need to save me
Once I start breathing fire, you can't tame me
And you might think I'm weak without a sword
But I'm stronger than I ever was before

[Chorus]

If all of the kings had their queens on the throne
We would pop champagne and raise a toast
To all of the queens who are fighting alone
Baby, you're not dancing on your own

[Bridge]

In chess, the king can move one space at a time
But queens are free to go wherever they like
You get too close, you'll get a royalty high
So breathe it in to feel the life

[Chorus]

If all of the kings had their queens on the throne
We would pop champagne and raise a toast
To all of the queens who are fighting alone
Baby, you're not dancing on your own

[Outro]

Oh-oh-oh-oh-oh-oh, oh-oh
Oh-oh-oh-oh-oh-oh, oh-oh
