

# Avalon, Give It Up

Dream a little dream, dream a little while  
Remembering a day when you were wide-eyed  
Gave the Lord your heart, gave Him all your soul  
Slowly you have taken back control

Now you're somewhere in-between  
Your new world and your old routine

Dream a little dream, dream a little while  
Dream with me of how you think it might be...

To give Him all of your heart (give it up, give it up)  
Give Him all of your life (give it up, give it up)  
Give Him all of your soul (give it up, give it up)  
Give it up, give it up, woh

Na na na na na  
Na na na na na  
Na na na na na na na na na  
Na na na na na  
Na na na na na  
Na na na na na na na na na

Your choice is black or white, not a shade of gray  
Because in love there's no such thing as halfway  
Devotion can be swayed, emotions can be torn  
He'd rather we be hot or cold than lukewarm

Bring the Father all your soul (bring the Father all your soul)  
There's freedom in the letting go (Oh, let it go)

Pray a little prayer, Dream a little dream  
Dream with me of how you think it might be (yeah)

To give Him all of your heart (give it up, give it up)  
Give Him all of your life (give it up, give it up)  
Give Him all of your soul (give it up, give it up)  
Give it up, give it up, woh

Na na na na na  
Na na na na na  
Na na na na na na na na na  
Na na na na na  
Na na na na na  
Na na na na na na na na na

Ah ah ah ahh...  
(give it up give it all up heart and soul give it up give it up give it all up heart and soul)

Give Him all of your heart (give Him all your heart)  
Give Him all of your life (give it up, give it up)  
Give Him all of your soul (give it up give it up) (give Him all your soul)  
Give Him all of your heart (give it up, give it up)  
Give Him all of your life (give it up, give it up) (all of your life)  
Give Him all of your soul (give it up give it up) (all of your heart)  
Give it up give it up (give it up, give it up) (all of your life)  
Give it up give it up Oh  
(...repeat
