

# Avant, Hooked

[Chorus]

You got me open like a liquor store  
love so strong that I don't want no more  
I can't describe the way you got me shook  
You're like a drug girl, you got me hooked  
You're the queen i see in my dreams  
I wanna taste some of your ice cream  
I can't describe the way you got me shook  
You're like a dru girl, you got me hooked

[Verse 1]

My boys say im trippin, but im like so  
cause you got me open and i don't care who knows  
when it comes to you, baby anything goes  
You're just like that drug that they smoke  
You got me twisted and al tied up  
from your conversations and gentle touch  
ever you want never too much  
bay sit back and let me take a puff

[chorus]

You got me hooked hooked hooked

[Verse 2]

I don't even smoke, but thats quite alright  
cause when you're with me its a natual high  
just like Marvin Gaye touching his key board  
When you touch me, it make me say OH LORD  
Girl you got every little bit of my soul  
Makin it hard fo me to gain control  
Even wheni trty to tell myself no  
Theres a little voice sayin one more

Look for something  
Lookin for you (lookin for you)
