

# Avantasia, Carry Me Over

(vocals by Tobias Sammet)

(Tobias Sammet)

Never been told my prayers would be answered  
Wherever I go I see you around  
Never been told that something that beautiful  
Would bring me up to let me down

Waiting up on the roof, waiting up in the rain  
Just to catch a glimpse of your face  
Even when you're around  
Still I'm out of sight, out of sound  
In your world I'm out of place

Carry me over  
Carry me over  
Carry me over now

You're like a ghost that I can't let go  
You follow every step that I take  
Never thought someone could be too close to you  
Now across the street is miles away

And now I might as well be the man on the moon  
I am watching but you don't seem aware  
But I won't be around  
I'll be out of sight, out of sound  
Someone's gonna wait, somewhere

Carry me over  
Carry me over  
Carry me over now
