

# Avantasia, Reach Out For The Light

(Gabriel:)  
Yeah - yeah

Lord above - why don't you tell me  
why I'm here in agony?  
I've been serving, I've been praying,  
now I'm caught in misery.

I've been praised by friar Jakob,  
I misused his confidence.  
Cheated by this work of evil -  
Feigning Anna's innocence.

Oh what have I done?  
So many ways lead to the fallen one,  
Lucifer, fallen light  
Oh what have I done?  
What is going on?

-We should bring salvation,  
not give in to his temptation - no!  
Read and preach the holy word  
and no forbidden lies that hurt.  
I remember words of "seven";  
Set me free - sanity! -

(Lugaid:)  
Reach out for the light  
far beyond confines.  
You have read the magic lines  
leading to the light in your mind

(Gabriel:)  
What is right and what is wrong now?  
Is it a trial of paradise?  
Is Anna a witch or do they stick to an error?  
What's the book and the seal inside?

Am I a cleric or maybe a sinner?  
Unbeliever? Renegade?  
Was it the devil who led me to "seven";?  
Oh redeemer is it all too late?

Oh what have I done?  
I have been led by the smelling one,  
Lucifer, fallen light  
Tell me stranger, what have I done?  
Oh what is going on? Yeah

-We should bring salvation,  
not give in to his temptation - no!  
Read and preach the holy word  
and no forbidden lies that hurt.  
I remember words of "seven";  
Set me free - sanity! -

(Lugaid:)  
Reach out for the light  
far beyond confines.  
You have read the magic lines  
leading to the light

(Gabriel:)  
...in your mind? Yeah - oh - yeah

(Solo: Henjo)

(Lugaid:)

Reach out for the light  
far beyond confines.
