

Avantasia, Twisted Mind

(vocals by Tobias Sammet and Roy Khan)

(Roy Khan)

One of a kind they say
They've never seen before
Investigate the aberration
Disorder in the core

(Tobias Sammet:)

I never tried to hide away
Or tried to keep your pace
You walk me to the slaughter
With a smile upon your face

(Chorus)

From the cradle to the madhouse
A twisted mind
There's no way out of this hell for
A twisted mind

There's no way out
There's no way out

(Roy Khan)

You've come to see the healer
So don't you be afraid
They call me tranquilizer
I'm here to isolate

We paint in black and white
And you're the dirty in between
Monstrosity of nature
A virulent disease

(Chorus)

From the cradle to the madhouse
A twisted mind
There's no way out of this hell for
A twisted mind

There's no way out
There's no way out

Can't you see, can't you see
That you are not like anyone?
You'll never see through anyone else's eyes
And who am I to certify the sanity of a twisted mind
A victim of perception, a twisted mind

(x2)

Missprizing chastising
Subhuman fragmentizing
Sensation aberration
Repulsive tantalizing

(x2)

From the cradle to the madhouse, a twisted mind
There's no way out of this hell for twisted mind

There's no way out (x6)
