

# Avenged Sevenfold, Buried Alive

Take the time just to listen  
When the voices screaming are much too loud,  
Take a look in the distance  
Try and see it all  
Chances are that ya might find,  
That we share a common discomfort now  
I feel I'm walking a fine line  
Tell me only if it's real  
Still I'm on my way (on and on it goes)  
Vacant hope to take  
Hey - I can't live in here for another day  
Darkness has kept the light concealed  
Grim as ever  
Hold on to faith as I dig another grave  
Meanwhile the mice endure the wheel  
Real as ever  
And it seems I've been buried alive  
I walked the fields through the fire  
Taking steps until I found solid ground  
Followed dreams reaching higher  
Couldn't survive the fall  
Much has changed since the last time  
And I feel a little less certain now  
Ya know I jumped at the first sign  
Tell me only if it's real  
Memories seem to fade (on and on it goes)  
Wash my view away  
Hey - I can't live in here for another day  
Darkness has kept the light concealed  
Grim as ever  
Hold on to faith as I dig another grave  
Meanwhile the mice endure the wheel  
Real as ever  
And I'm chained like a slave, trapped in the dark,  
Slam all the locks, death calls my name  
And it seems I've been buried alive  
Take you down now, burn it all out  
Throw you all around, get your fin' hands off me  
What's it feel like? Took the wrong route  
Watch it fall apart now you're knockin' at the wrong gate!  
For you to pay the toll, a price for you alone  
The only deal you'll find, I'll gladly take your soul  
While it seems sick, sober up quick  
Psycho lunatic crushing you with hands of fate  
Shame to find out, when it's too late  
But you're all the same trapped inside inferno awaits  
Evil thoughts can hide, I'll help release the mind  
I'll peel away the skin, release the dark within  
This is now your life,  
Strike you from the light  
This is now your life,  
Die buried alive  
This is now your life  
Strike you from the light  
This is now your life,  
Die buried alive  
This is now your life,  
Die buried alive
