Avenged Sevenfold, Save Me

Skull
(They all know)
(They all know)
Sorry did I wake your dream, some questions run too deep
We only, only wake up when we sleep
Led by the lunar light, trouble's all we'd find
Lost our way tonight
Is it something we said?
Is it something we said to them?
Is it something we said?
Save me - I'm trapped in a vile world
Where the end game's all the same as every other
We're only here to die
Save me - I'm losing my only dream
I can use some guiding light, some place to go
If you hear me let me know
(They all know)
(They all know)
Ever since the day you left my fate's been set unknown
How many years to walk this path alone?
So much to see tonight, so why'd you close your eyes
Why can't I shut mine?
Is it something we did?
Is it something we did to them?
Is it something we did?
Save me - I'm trapped in a vile world
Where the end game's all the same as every other
We're only here to die
Save me - I'm losing my only dream
I can use some guiding light, some place to go
If you hear me let me know, if you hear me let me know
Help me find my way
I said help me find my way, yeah
No pulse inside of me
Stone cold lips, and heresy
All lies and to a degree
Losing who I want to be
Oh find out why now
He may be out of his mind
But some day you will find
That sanity left us all blind
And dragged us all behind
A moment seen through those eyes
Crystal blue disguise
They say that all beauty must die
I say it just moves on...
If you'd only open your mind, then some day you will find
Insanity left us behind, and walked right through the door
I can see the pictures clear as yesterday, pictures all my own
I can hear the voices begging you to stay, but know you're not alone
Save me - I'm trapped in a vile world
Where the end game's all the same as every other
We're only here to die
Save me - I'm losing my only dream
I can use some guiding light, some place to go
If you hear me let me know, if you hear me let me know
Tonight we all die young
Tonight we all die young
Tonight we all die young
Tonight we all die young
Tonight we all die young
Tonight we all die young
Tonight we all die...
Tonight we all die young
