

# Avenged Sevenfold, So Far Away

Never feared for anything  
Never shamed but never free  
A light that healed a broken heart  
With all that it could  
Lived a life so endlessly  
Saw beyond what others see  
I tried to heal your broken heart  
With all that I could  
Will you stay?  
Will you stay away forever?  
How do I live without the ones I love  
Time still turns the pages of the book it's burned  
Place and time always on my mind  
I have so much to say but you're so far away  
Plans of what our futures hold  
Foolish lies of growing old  
It seems we're so invincible  
But the truth is so cold  
A final song, a last request  
A perfect chapter laid to rest  
Now and then I try to find  
A place in my mind  
Where you can stay  
You can stay awake forever  
How do I live without the ones I love  
Time still turns the pages of the book it's burned  
Place and time always on my mind  
I have so much to say but you're so far away  
Sleep tight I'm not afraid  
The ones that we love are here with me  
Lay away a place for me  
'Cause as soon as I'm done I'll be on my way  
To live eternally  
How do I live without the ones I love  
Time still turns the pages of the book it's burned  
Place and time always on my mind  
And the light you left remains but it's so hard to stay  
When I have so much to say and you're so far away  
I love you, you were ready, the pain is strong and urges rise  
But I see you when it lets me  
Your pain is gone, your hands untied  
So far away  
And I needed to know  
So far away  
And I need you to know
