

Avenged Sevenfold, So Far Away

Never feared for anything
Never shamed but never free
A light that healed a broken heart
With all that it could
Lived a life so endlessly
Saw beyond what others see
I tried to heal your broken heart
With all that I could
Will you stay?
Will you stay away forever?
How do I live without the ones I love
Time still turns the pages of the book it's burned
Place and time always on my mind
I have so much to say but you're so far away
Plans of what our futures hold
Foolish lies of growing old
It seems we're so invincible
But the truth is so cold
A final song, a last request
A perfect chapter laid to rest
Now and then I try to find
A place in my mind
Where you can stay
You can stay awake forever
How do I live without the ones I love
Time still turns the pages of the book it's burned
Place and time always on my mind
I have so much to say but you're so far away
Sleep tight I'm not afraid
The ones that we love are here with me
Lay away a place for me
'Cause as soon as I'm done I'll be on my way
To live eternally
How do I live without the ones I love
Time still turns the pages of the book it's burned
Place and time always on my mind
And the light you left remains but it's so hard to stay
When I have so much to say and you're so far away
I love you, you were ready, the pain is strong and urges rise
But I see you when it lets me
Your pain is gone, your hands untied
So far away
And I needed to know
So far away
And I need you to know
